## PROGRAM OBJECTIVE

The program aims at providing comprehensive knowledge on Intellectual Property Rights (IPR). It intends to focus on imparting awareness on various aspects of IPR including Patentability Search, Filing Procedures and legal aspects of infringement, amongst the faculty. Intellectual Property Rights is one of the compulsory subjects in the curriculum of Technical and Vocational Education courses in Punjab and is being taught in various Engineering courses, Pharmacy, Education and Polytechnic courses across India. So, there is an ever increasing endeavor to encourage awareness regarding the various aspects of IPR. As a part of continuing education program this workshop will help the faculty to upgrade themselves and meet the demand of the ever rapidly expanding technocratic arena. Further, the program will help the teachers to get abreast with basics pertaining to IPR & inculcate the same in their routine teaching so that students become aware of the same

## TOPICS COVERED

- Introduction to IPR       Patenting System in India
- Copyright and Design Registration in India
- IPR (Intellectual Property Rights)
- Novelty Search

## KEY POINTS

- The Maximum number of Participants should not be more than 100. So, registration will be done on first come first get basis.
- Transportation facility of the institute may be availed free of cost with prior permission of the person in-charge. No TA/DA will be provided to anybody.

For any type of query please feel free to call.
